

About

It's not easy running a business - long hours, tough decisions and increasingly complex challenges fill your days. Citrin Cooperman understands this.

We're a regional accounting, tax, and consulting firm with offices in New York, New Jersey, Connecticut, Pennsylvania, and the Cayman Islands. We've built our business helping entrepreneurs find smart solutions for over 30 years. Wherever your company is in its development, we can help you examine your business's financial structure and provide new perspectives on the strategies that will help you succeed.

What makes us different?

We look not only at your immediate business objectives, but your long-term company and personal goals, as well. Our professionals have years of experience, broad networks, and deep knowledge within specific industries. Our team-based approach ensures this knowledge is leveraged each time we approach a client's needs.

We're relentless about results

We're passionate about providing clients with an objective viewpoint and insightful advice on their businesses. Finding innovative solutions is what drives our professionals and helps our clients succeed. It's a passion we prize and reward. Our vision is to enhance the business value and personal lives of our clients, through our expert advice and passion in everything we do.

Our Service and Industry Focus Areas

We offer services in 3 core areas: Attest & Assurance, Tax Compliance & Research Services, and Consulting & Specialty Services (including valuation & forensic services, corporate governance, and business management & family office).
