Not-For-Profit

Real Estate

Technology and Life Sciences

Jessie has nearly 20 years of experience in public accounting, providing accounting and auditing and tax services to privately-held companies in various industries. She specializes in the area of quality control.

EXPERIENCE

Jessie provides audit services to clients in a variety of industries including manufacturing, construction, real estate, healthcare, not-for-profit organizations, and financial services. Her focus is in quality control of financial statement audits, in which she provides consulting on complex technical accounting matters, internal support, and review for Citrin Cooperman's Providence, RI and Boston Metro offices.

In addition, Jessie specializes in employee benefit plans audits and business consulting. She assists clients and team members with the accounting for complex transactions and implementation of new accounting standards including the related financial statement disclosure.

Prior to joining Citrin Cooperman in 2018, Jessie worked at regional and national accounting firms, including experience at a 'Big 4' accounting firm.
