Laura Jenkins is a tax partner in Citrin Cooperman's Braintree office with over ten years of experience in public accounting. She specializes in providing tax compliance and planning services to private companies and their owners, including family owned companies and other closely held businesses.

### EXPERIENCE

Laura is responsible for the overall delivery of entity tax planning, transaction assistance, and tax reduction strategies for a portfolio of private companies as they navigate through each stage of their life cycle.

### AFFILIATIONS

Member, American Institute of Certified Public Accountants (AICPA)

### OUTSIDE THE OFFICE

Outside of the office, Laura spends her time with her husband, Russell, and their three young children. She enjoys volunteering at the kids' school, trips to the playground, and taking part in their various activities.
