INDUSTRIES

Cryptocurrency, Tokens, and Blockchain

“Preparing an expert report requires foresight into every possible line of attack by opposing counsel. I work tirelessly to prepare highly defensible expert reports, and relish opportunities to find weaknesses in opposing expert opinions.”

Mark DiMichael is a partner in the forensic, litigation, and valuation services department. His areas of expertise include divorce litigation, economic damages analysis, fraud investigation, cryptocurrency/digital assets, white collar criminal defense, and business appraisals.

EXPERIENCE

Mark has prepared and rebutted expert reports, and has experience working with companies in a wide range of industries. He has also provided deposition and expert testimony numerous times in federal court, state court, and arbitrations.

Prior to joining Citrin Cooperman, Mark performed investigative accounting and business valuations related to matrimonial disputes. Additionally, he has several years of experience in performing financial statement audits for middle market companies.

PRESENTATIONS & PUBLICATIONS

Mark regularly teaches CPE/CLE classes on digital assets and cryptocurrency, covering topics such as fraud, tax, accounting, investigation, and industry developments. He has also taught CPE/CLE

classes on topics such as forensic accounting, divorce, and economic damages.

Mark has been featured in or quoted in media including Financial Advisor Magazine, www.bankrate.com, Hidden Forces Podcast, the Fairfield Business Journal, NextGen Magazine, the Trusted Professional, the Rhode Island Society of CPAs Newsletter, and www.modernconsensus.com.
