

CITRIN COOPERMAN®

CANNABIS AUDIT READINESS

Focused on Auditing Cannabusinesses

Citrin Cooperman's Cannabis Advisory Services team has the experience to support you from beginning to end during a cannabusiness audit. We ensure that you are able to present workpapers and supporting trial balances to the auditors in a timely and accurate manner.

How Citrin Cooperman Can Help

Processing a financial audit while dealing with the complexities of running a cannabusiness can be overwhelming for you and your team. With our cannabis audit specialists to support you throughout the process, you can have peace of mind as you prepare for your audit.

When You Should Reach Out

- Your financial team is overwhelmed with work and needs extra assistance with the auditors.
- You have never been audited before and do not know how to create workpapers or give audit support.
- You need technical accounting consulting on difficult issues.
- You are struggling to keep up with the fast-moving industry and historical issues while dealing with current issues.

Value to Your Business

- Successfully prepare yourself for the audit
- Meet deadlines for the delivery of financial statements
- Obtain peace of mind by having a experienced accounting team on hand

Deliverables

- Comprehensive set of workpapers and trial balances adjusted for changes
