

CITRIN COOPERMAN®

CANNABIS BUY-SIDE QOFE & DUE DILIGENCE

Focused on Buy-Side Due Diligence

Citrin Cooperman's Cannabis Advisory Services team has the experience to support you from beginning to end when you are dealing with a cannabusiness acquisition. With our QofE and due diligence reporting, we ensure that you have the analysis you need as you consider your target.

How Citrin Cooperman Can Help

Acquiring a business is a challenging process, and the complexities of the cannabis industry can serve to further complicate matters in banking, inventory costing, and more. Our cannabusiness specialists can assist you in navigating these exposures as you focus on the acquisition process.

When You Should Reach Out

- You are purchasing a business and you don't know how to verify earnings.
- You don't understand the unique challenges or business structures of the cannabis business.
- You are dealing with unaudited financial statements of the target.

Value to Your Business

- Understand what you are purchasing.
- Identify potential exposures
- Change the price based on the results

Deliverables
