CANNABIS INVENTORY COSTING SERVICES

## Focused on Cannabusiness Inventory Costing

Citrin Cooperman's Cannabis Advisory Services team has the experience to support you with your inventory costing for bookkeeping and tax-related purposes. We ensure that you are able to defend your positions taken on tax returns and keep an eye on your business's financials.

### How Citrin Cooperman Can Help

Managing a cannabusiness can be quite difficult as you navigate the complexities of the cannabis industry and day-to-day operations. With our team at your side, we can provide the support you need in order to calculate your inventory costs, giving you a better picture of your business's financial health.

### When You Should Reach Out

- Your company is starting cultivation or production and needs to understand how to perform cost accounting.
- Your company wants to analyze gross margin on products but can't figure out how to cost inventory.
- Your company needs to understand how book and tax deductions intersect.

### Value to Your Business

- Understand margin positions on both book and tax purposes
- Acquire support to defend positions taken on tax returns

### Deliverables

- Comprehensive set of workpapers tied to inventory values
