Accountants and Advisors

FEDERAL TAX POLICY

Focused on Staying on Top of Legislative Updates

As the Trump tax plan rolls out, Citrin Cooperman's Federal Tax Policy Team (FTPT) will continue to keep our clients abreast of the constantly changing legislative and political landscape. This team will examine new tax legislation as it is enacted, in order to identify strategies to help our clients best manage the complexities of their tax situations.

How Citrin Cooperman Can Help

With a highly knowledgeable and experienced team, the FTPT is uniquely qualified to assist as our clients tackle key tax issues. The team's primary focus is on President Trump's administration, subsequent legislation, and helping our clients learn about, understand, and plan under any new tax legislation.

Should you have any questions, please do not hesitate to reach out to our team
