

CITRIN COOPERMAN®
Accountants and Advisors

FORENSIC AND LITIGATION SERVICES

Focused on Providing Clear Solutions to Complex Matters

Attorneys and clients come to us when they need forensic accounting expertise to unearth the facts, e-discovery and data analytics to dissect the detail, analysis of accounting improprieties, or economic damages measurements in complex commercial disputes. Whether we're engaged for a fraud investigation, accounting analysis, shareholder dispute, or damage analysis, our Forensic and Litigation Services team members will produce the answers you need so you can focus on what counts.

How Citrin Cooperman Can Help

Taking a multidisciplinary approach is our forte. We draw from our firm's industry experts to bring clarity to our clients' issues. We are often called upon to testify in
