CITRIN COOPERMAN'S STRATEGY & BUSINESS TRANSFORMATION PRACTICE

SYSTEM SELECTION & IMPLEMENTATION

FOR MID-MARKET COMPANIES

Your systems are more critical than ever. We help make sure you pick the right ones.

FLEXIBLE AND INTEGRATED

BEFORE

Companies used to have a few key systems that handled all functionality

NOW

Companies need a constantly evolving, integrated ecosystem and technology that adjusts to changing business needs

THE RIGHT FUNCTIONALITY

48%

"Forty-eight percent of project failures are because of issues with functionality, poor system quality, or the project was rejected after launch"
- Gartner, "Gartner Survey Shows Why Projects Fail"

DISCIPLINED EXECUTION

< 1/3

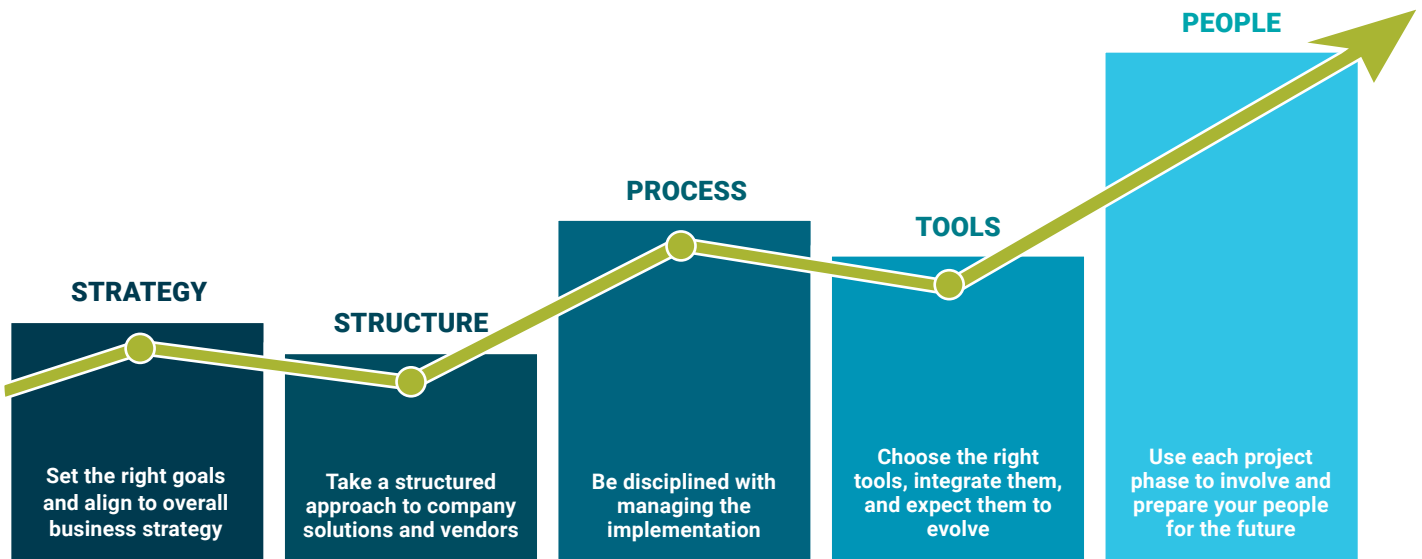

"Less than one-third of system projects are completed on-time and on budget"
- The Standish Group, "The chaos Manifesto"

OUR APPROACH

5 KEYS TO SUCCESSFUL TECHNOLOGY PROJECTS
